- **Generator rental:** \$50 flat fee (if not near a power source)

Recommendations / FAQ

How many hours do I need? For most birthday parties and events with less than 30 participants, 2–4 hrs is more than enough time. We'd only recommend 6–8 hrs if it's an all-day event or festival with a lot of people.

Do you offer any additional discounts for non-profits/programs with budget constraints? Yes! We are always willing to work with potential customers to bring

Hungerball to your event and expose this amazing sport to a new player base. Fill out the inquiry form and we will do our best to make it work within your budget.

Why is the corporate/festival pricing a higher rate? Due to the larger group sizes and increased set-up/tear-down time required, we generally have to hire additional help to run the event. Managing the longer lines and ensuring player safety while minimizing disruptions to existing events is our top priority and requires more support staff. If this affects your budget too much, please fill out the inquiry form and we'll do our best to work with you.

What is your cancellation policy? Being from CO, we know the weather can be unpredictable, so we try to be flexible with our cancellation policy. Your \$100 deposit is fully refundable up to 72 hrs before your event. After that, you can choose to reschedule or use that credit toward a future event. If the weather looks bad for an outdoor event, we can offer additional options (full refund or similar) to try and work something out.
